INTRODUCTION

DS Government Degree College for Women is a vibrant and friendly community that enjoys the reputation of being one of the most respected and admired educational institutions in Prakasam District. The College follows a holistic philosophy of basing education on the whole person, the heart mind and spirit-with continued focus on academic excellence. This excellence is underpinned by advanced teaching methodology, a rich co-curricular Programme, and a wide range of sports platform for our students to excel in their area of interest to bring out their inherent talents and help them to discover hidden potential.

Our college provides affordable quality education, while equipping students with knowledge and skills in their chosen talents, provide opportunities for students to realize their full potential and thus shape them into future leaders, entrepreneurs and above all good human beings.

The College fosters academic and career success through the development of critical thinking, effective communication, creativity and cultural awareness in a safe, accessible and affordable learning environment.

The college has organised and conducted various programmes during the month of May as a part of curricular and co-curricular activities. Here we present the glimpse of it.

FIELD TRIP

The Departments of Botany, Zoology, and Mathematics has organized a fieldtrip to III BSc students on 07-05-2022 to Intron Life Sciences. It is located in Andhra Pradesh Industrial Growth Centre, Gundlapalli, Prakasam District. It is a world class Manufacturer of Probiotics. The use of probiotics might be a good option to reduce the disease risk and to enhance the productivity of Poultry Birds and Aqua culture animals. Students who go on field trips become more empathetic and tolerant and also to stimulate interest and motivation in science, to add relevance to learning and interrelationships.

FIELD TRIP – DEPARTMENT OF CHEMISTRY

The Department of Chemistry went to field trip to Bezwada Biomedical Research Private Limited, Industrial Growth Centre, Gundlapalli, Prakasam District on May 7, 2022. On this Research centre students interacted with them and knew about various chemical processes, including extraction of chemicals from plant materials, synthesis of chemicals and packing of materials. All the final B.Sc. students actively participated in this trip.

GUEST LECTURE

The Department of Chemistry organized a Guest lecture on Chemistry of Life Occurring in Day Dawns to Dusk: Scope for Higher Education, Fellowships and Job Opportunities in Chemistry Field in Academia and industry by Dr.Subbaasani Raja Sekhara Reddy, Associate Professor, Department of Chemistry, VIT, Vellore on 06-05-2022.

Dr. Reddy spoke about the fundamentals of Chemistry have been put to good use for humanity. He also said that Chemistry is ingrained in our daily routine and Science's chemistry has an impact on every aspect of human life. His lecturer gave an overview of the importance of chemistry in science from dawn to nightfall and how it benefits humans in daily life. In this programme students were actively participated and this programme was lead by Dr. M.Srinivasa Reddy in-charge of the Department of Chemistry.

100-DAYS COUNT DOWN FOR INTERNATIONAL YOGA DAY-2022
