The DSGDC(W), Ongole is one of the premier institutions that strive for the empowerment of girl students for their overall development in Socio, Economic and Cultural fields. It is through the Perpetual dedication and Commitment of many Principals, faculty Members, non-teaching staff, Local Philanthropists and the district Officials since 1984, that thousands of Women students could fulfil their dreams of Higher Education. We give our students wings of ambition, so that they can ascend like falcons to touch the sky and endeavour to make them global citizens who can look beyond geographical boundaries and promote a culture of Peace. We are in conviction of giving roots of significant values along with traditional education. Our college has been accredited by NAAC 'B' in the year 2014.

The Internal Quality Assurance Cell(IQAC) of D.S.Government Degree College, for women main objective is ensuring quality in all aspects concerning the college including yearly quality assurance activities.

About the Workshop

This workshop on "Intellectual Property Rights" is well structured, focussed and result oriented. The workshop aims on portraying elaborated view on intellectual property rights (IPR). This will bring a positive transformation in the attitude of faculty members and helps them in acclimatizing a quality-oriented approach towards their research works.

Revised NAAC Accreditation Process & ICT Tools**

About FDP
The Quality of Higher Education plays an imperative role in the development of a Nation. NAAC Accreditation determines the quality of the institute in terms of education, infrastructure, research, teaching & learning etc. Therefore, NAAC has identified a set of 7 criteria to serve as the basis of its assessment procedures. There are lots and lots of data gathering, compilation and reporting that has to go hand in hand with the process. Our FDP focusses on NAAC criteria and motivate the faculty towards composing of data with excellence and satisfaction so that NAAC appear easy to all. This is a comprehensive rundown of NAAC accreditation and could make you breathe easy throughout the process.

Theme of Webinar:
We will be focusing on Impact of institutional sustainable curricular practices, role of research culture among faculty and students, effect of community needs and relevant extension programs, growth of the infrastructure and its relevance to keep pace with the academic progress, effective student support and progression along with value-based Education on Institutional Ranking. Also, an overall out look on **ICT Tools** for online teaching - learning techniques in view of COVID-19 will be provided.

Participants:
We Welcome all Government and Aided Degree College lecturers who are in the race of NAAC to make utmost benefit of this FDP.

**ONE DAY ONLINE WORKSHOP
ON
"Online Assessment Tools
& Techniques"**

on 12-06-2021 from 3:00 pm to 5:00 pm

Today online education has created an incredible boom in higher education sector in AP. It is now time for Educators supporting their fellow Educators, getting insights, tips and resources from those who have already transitioned to online learning. In this workshop, we are bringing educators together who have been learning every day about transforming their classroom teaching into new online learning environment.

Assessments are the most substantial part of the online education system, as they give an accurate depiction to the students about their own performance. It acts as a catalyst and positive reinforcement to learners by encouraging them to perform better. Therefore, quality assessment is very important as it focuses on a targeted area with complete precision. So in this workshop, we are focussing on the online quality assessment tool which can be implemented in our present scenario of methodological online teaching. Outcomes of the workshop include thorough knowledge on Assessment tool along with effective hands on practice.

We cordially invite all the educators of higher education to participate in this workshop and acquire needful technology for assessing your students in online platforms.
