

D. S. GOVERNMENT DEGREE COLLEGE FOR WOMEN,
ONGOLE. 523001. PRAKASAM DISTRICT. A.P.

ENVIRONMENT AND ENERGY USAGE POLICY

Introduction:

DS Govt Degree College for Women recognizes its responsibility to reduce its environmental impact and promote sustainability. This policy document outlines the institution's commitment to reducing its energy consumption and to promoting sustainable practices.

Goals and Objectives:

Our goals and objectives for environmental and energy policies are:

1. To reduce energy consumption.
2. To increase the use of renewable energy sources such as solar panels.
3. To promote sustainable practices.
4. To comply with all environmental regulations.
5. To encourage our staff and students in sustainable practices and encourage them to adopt sustainable behaviours.

Energy Conservation:

DS Govt Degree College for Women is implementing energy conservation measures to reduce energy consumption in all facilities.

1. **Energy-efficient lighting:** The institution replaced all incandescent bulbs with LED bulbs, which are more energy-efficient and have a longer lifespan.
2. **Renewable energy:** The institution is exploring the use of renewable energy sources, such as solar energy, to supplement its energy.

Sustainable practices:

DS Govt Degree College for Women is committed to promoting sustainable practices in all aspects of its operations. The following measures will be implemented to promote sustainability.

1. **Waste reduction:** The institution is implementing waste reduction measures, such as vermicomposting, to reduce the amount of waste.
2. **Sustainable transportation:** Encourage the use of sustainable options such as bicycles, walking, and public transportation.
3. **Water conservation:** The institution implementing water conservation measures, such as landscaping practices and conservation.
4. **Education and outreach:** The institution educates the students, faculty, and staff on sustainable practices and encourages them to adopt sustainable behaviours.

Conclusion:

DS Govt Degree College for Women is committed to reducing its environmental impact and promoting sustainability. This policy document outlines the institution's commitment to energy conservation and sustainable practices. The institution will continue to explore new ways to reduce its environmental impact and promote sustainability in all aspects of its operations.
