COFFEE WITH COLLECTOR

Prakasam district collector Sri A.S.Dinesh Kumar launched a first-of-its-kind programme in the state, 'Coffee with Collector', and an interactive programme with the students from the government schools in the district at his residence.

Our college students also participated in this programme. He interacted with our students and enquired each of them about their hobbies, plans and explained the life profiles of people who achieved big, even though they are born into poor families.

He advised the students to inspire from those people, set their aim high and strive accordingly to achieve them. He asked them to work on their weakness, and design a plan to success. He also shared his experiences and stories of his struggle as poor boy to get education, prepare for the competitive exams and achieve All India Service. Later, he gifted them with inspiring books by noted authors.

STUDENT SEMINAR BY DEPARTMENT OF ENGLISH

Student seminars play a pivotal role in enriching the educational environment within college campuses. These events provide a platform for students to delve deeper into academic subjects, develop critical thinking skills, and foster a sense of community among peers.

The Department of English has conducted a student Seminar on 9th November 2023, on Soft skills for I year students..These events create a sense of community among students, faculty, and guest speakers, fostering a collaborative and supportive learning environment.

In after noon Interactive question-and-answer sessions allowed for participants to clarify doubts and engage in intellectual discourse with both presenters and audience members. Students present papers, case studies, or projects they have worked on, showcasing their academic endeavors.

DISHA APP INSTALLATION

A programme on DISHA APP INSTALLATION AND, USAGE has conducted in our college by NSS Unit of our College in collaboration with WEC on 15th November, 2023, to make the students to learn about Disha app installation and its usage in keeping in mind their safety and security. Sergeant Lady Inspector and a lady Constable have explained the step wise process of installation procedure to students and Students installed that DISHA app in their mobiles.

Sergeant lady Inspector explained how to install this DISHA App and how it works. She also told that DISHA SOS services helps the women and citizens in emergency situation. DISHA app also integrated with needful information like nearby safety places, nearby police stations and useful contacts. DISHA contains tracking safety feature for every user. This App gives you phone numbers that you can dial to get emergency help and support. She said that we hope this App makes more safety to women and citizens and makes the crime rate less. Sergeant Lady Inspector motivated the students that as a girl, we must be very bold and confident to overcome if any emergency situation arises. When in danger, girls can either push an SOS button on the app or shake the phone thrice if the 'hand gesture' feature is enabled, to send an SOS request. The SOS request sends the user's location, along with a ten second audio and video recording, to the DISHA Command Control Room. Through video presentation, she motivated the students to download this App immediately.

All the faculty and students participated in this programme.

CERTIFICATE COURSE BY JAWAHAR KNOWLEDGE CENTRE

Certificate courses provide an opportunity for students to acquire specific skills that are relevant to their chosen field or industry. These courses often focus on practical, hands-on training, allowing students to develop specific competencies that can be directly applied in the workplace.

Certificate Course has commenced for 3rd B.SC students on November 20th, 2023 by JKC on "Basics in Multi Media." It covers the basics of graphic design, audio editing, video production, and interactive multimedia. Typically includes hands-on projects to develop practical skills in multimedia creation. It explores the fundamentals of digital media, including graphics, audio, and video production. It often includes instruction on using multimedia software tools and platforms and focuses on the principles of web design and multimedia integration for online platforms.

On this occasion Principal Dr.D.Kalyani suggested that completing a certificate course can enhance a student's resume and make them more attractive to employers. It demonstrates a commitment to professional development and a willingness to acquire additional knowledge and skills beyond the standard curriculum. Certificate programs are designed to address the current needs and trends in specific industries.

JKC Co-Ordinator Dr.A.V.Rajya Lakshmi opined that this Certificate course in our college offer a targeted and practical approach to education, equipping students with specific skills and knowledge that can enhance their career prospects. They provide a valuable supplement to traditional degree programs and can be a strategic choice for individuals seeking to stay competitive in the evolving job market.

JKC FTM Sri J.N.Suresh Kumar said that these certificate courses are designed to provide a foundational understanding of multimedia principles and techniques. They often involve practical, hands-on projects to ensure that students gain real-world skills applicable in various industries that rely on multimedia content creation.
