INTRODUCTION

DSGDCW College for Women Nurturing Greatness, Empowering Future.

At DSGDCW College for Women, we believe that education is the cornerstone of empowerment, and every woman has the potential to achieve greatness. Established with a visionary outlook, our college has been dedicated to providing exceptional education and holistic development to young women for over 39 years. Situated in a serene and conducive learning environment, our institution stands as a beacon of knowledge, innovation, and empowerment.

Our Legacy of Excellence: Since its inception, DSGDCW College for Women has been a hub of academic excellence and character development. Our legacy is built on the foundation of unwavering commitment to fostering holistic growth in our students. Through our comprehensive and innovative programs, we have produced graduates who have gone on to become trailblazers in various fields, leaving an indelible mark on society.

Empowering Women through Education: At DSGDCW, we firmly believe that education is a powerful tool to empower women and elevate their status in society. Our curriculum is designed to not only impart knowledge but also to nurture critical thinking, creativity, leadership, and compassion. We provide a supportive and inclusive environment where women can explore their potential, discover their passions, and build the skills necessary to excel in a rapidly changing world.

Distinguished Faculty: Our college boasts a dedicated and accomplished faculty comprising experts, scholars, and practitioners in their respective fields. They are not just educators but mentors who guide, inspire, and ignite the flames of curiosity in our students. With their guidance, students are encouraged to question, explore, and grow, both academically and personally.

State-of-the-Art Facilities: To facilitate effective learning and all-around development, we offer state-of-the-art facilities including well-equipped classrooms, modern laboratories, a comprehensive library, sports facilities, and a vibrant cultural center. Our campus provides an enriching environment that supports academic pursuits, research endeavors, artistic expression, and physical well-being.

Holistic Development: DSGDCW is not just about academic excellence; it's about nurturing well-rounded individuals. We encourage our students to participate in extracurricular activities, cultural events, community service, and leadership initiatives. These experiences help them develop essential life skills such as teamwork, communication, time management, and empathy.

Alumni Success: The success of our college is best reflected in the achievements of our alumni. Our graduates have made significant contributions to various fields including academia, business, healthcare, social service, arts, and more. They are the living proof of the transformative education offered at DSGDCW and serve as role models for current and future students

JAWAHAR KNOWLEDGE CENTRE: JKC in our college plays a vital role in preparing students for the challenges of the professional world by providing skill development, industry exposure, and career support. With a focus on technological advancements, JKC often includes programs to enhance students' digital literacy. It aligns education with industry needs, making graduates more competitive in the job market.

DSGDCW College for Women and embark on a journey of self-discovery, empowerment and greatness. Discover potentiality, chase dreams, and become a part of our legacy of excellence. Together, we're shaping a future where empowered women shape a better world.

CAMPAIGNING

Our college campaigned for admissions aimed to promote and attract prospective students to enroll in degree programs offered by our institution. The campaign spanned across various junior colleges in different places in Prakasam district. The primary goal was to increase awareness, address queries, and create a positive impression that encourages potential students to choose our college for their higher education.

Campaigning was Professionally designed on 12th December to 16th December and distributed brochures pamphlets, and other promotional materials, highlighting key features of our college, degree programs offered, academic programs, campus facilities, and admission procedures, faculty, infrastructure, and other key features.

The response from students was generally positive, with a significant number expressing interest in exploring degree programs at our college. Overall, the college degree admissions campaigning was successful in creating awareness and generating interest among prospective students. The positive response indicates a promising influx of applicants for the upcoming academic year. Continued efforts will be made to build on this momentum and ensure a successful admissions season.

NATIONAL PHYSICS QUIZ DRAWS ENTHUSIASTIC PARTICIPATION FROM DIVERSE COLLEGES

On the occasion of Energy Conservation Day, the Department of Physics with the collaboration of IQAC has conducted National Online Quiz on 13th December.

In a remarkable initiative led by the Physics Department, a national online quiz witnessed widespread engagement from participants beyond the confines of their respective colleges. The event, designed to test and celebrate the knowledge of physics enthusiasts, garnered an overwhelming response, showcasing the broad appeal of the subject. The quiz, open to students and individuals passionate about physics, attracted participants from a myriad of educational institutions across the district. The diverse representation not only added a competitive edge to the event but also underscored the universality of interest in physics. The questions, carefully crafted to challenge participants and showcase the breadth of the subject, successfully struck a balance between accessibility and intellectual rigor.

The response to the quiz was nothing short of phenomenal, reflecting the collective eagerness of individuals to engage with and showcase their proficiency in physics. The success of the initiative can be attributed not only to the efforts of the Physics Department but also to the enthusiastic participation of students and physics enthusiasts from various back ground.

NATIONAL CONSERVATION DAY

National Energy Conservation Day is observed in India on December 14. It was initiated by the Bureau of Energy Efficiency under the Ministry of Power, Coal and Non-Conventional Energy Sources in 1991 and has been celebrated annually ever since.

The Department of Physics has observed National Conservation Day on 14th December, 2023, in our college. Sri B. Srinivasa Rao and Smt. Suhana, Assist Executive Engineer from APSPDCL, ONGOLE were invited to deliver a comprehensive speech, shedding light on the significance of National Energy Conservation Day and to educate the students on energy conservation. The speech aimed to inspire both students and faculty members. The programme was transmitted through YouTube link. The technical assistance was given by Sri J.N. Suresh, J.K.C. Mentor of the institution.

An impactful awareness campaign on energy conservation was conducted near D.S. Government Degree College for Women, Ongole under the guidance of the Physics faculty, Dr. Manjula Bharati and Dr P. Indira. The event aimed to educate and engage students and in understanding the importance of energy conservation.

MICRO SOFT DIVERSITY SKILLING PROGRAM

Andhra Pradesh Information Technology Academy (APITA) has conducted Faculty Development Programme under Microsoft Diversity Skilling online on Training Program On 18th December to 22nd December. Some of the faculty members participated in this program and got the certificate.

NATIONAL MATHEMATICS DAY

National Mathematics Day is celebrated on December 19th in honor of the birth anniversary of the legendary Mathematician, Srinivasa Ramanujan. The day commenced with an inauguration ceremony, where our College Principal Dr. D. Kalyani and Mathematics faculty members highlighted the importance of Mathematics in our daily lives and paid tribute to the contributions of Srinivasa Ramanujan.

Various mathematics competitions were organized to engage students and promote a spirit of healthy competition. The competitions included: Math Quiz and Problem Solving Contest. Maths Quiz is a thrilling and competitive quiz that tested participants' knowledge of mathematical concepts, history, and applications.

Problem Solving Contest aims to challenge participants with a set of intricate mathematical problems, testing their problem-solving skills and creativity.

The day concluded with a prize distribution ceremony by our principal to recognize and reward the winners of the various competitions. Certificates and prizes were awarded to participants who exhibited outstanding mathematical skills.

The National Mathematics Day celebration at our college was a resounding success, fostering a love for mathematics and encouraging students to explore the subject beyond textbooks. The day not only celebrated the legacy of Srinivasa Ramanujan but also inspired a new generation of mathematicians to make their mark in the world of numbers and equations.

In this programme In-charge of the Department Dr. Kezia and B. Sravani, Lecturer in Mathematics, and all MPCs students actively participated in this programme.

VIKSIT BHARAT@2047: VOICE OF YOUTH

Viksit Bharat@2047 is the vision of Government of India to make India a developed nation by 2047, the 100th year of its independence. The vision encompasses various aspects of development, including economic growth, social progress, environmental sustainability, and good governance.

As India stands at this crucial juncture, poised to take off on its growth trajectory, it is important to realize that tremendous dedication and belief in India's destiny, immense desire, potential, talent and capabilities of the Indians, especially the youth, coupled with steadfast leadership, is necessary to realize this potential. There is enormous work that needs to be undertaken in a mission mode to make India Viksit Bharat by 2047. For this to happen, there is a need to chalk out a bold, ambitious and transformative agenda, and its communication to all stakeholders. The role of the youth, who constitute our largest population group, has a huge role here as they will lead India to Viksit Bharat by 2047.

Therefore, it is important to channelize the innovative ideas of the youth into nation building by inviting them to ideate and contribute to the vision of Viksit Bharat by 2047. It is important that every youth, more so the youth in colleges/ institutes and Universities take part in this important nation building exercise.

As per the instructions of CCE and having social responsibility all the students of our college with the guidance of Convener of this programme Dr. k. Manjula Bharati, registered in this programme.

SGBS UNNATI FOUNDATION

The program is intended for Government colleges, therefore catering to the underprivileged groups. Mr. Darla Srujan trainer has been assigned for this Skill Development Program – UNXT to conduct this program in Damacharla Sakkubayamma Government Women's Degree College. Ongole. This training started from December 9th, 2023, in our college.

With a vision of skilling and employment enabled social transformation, SGBS Unnati Foundation (Unnati), a registered NGO, has successfully transformed over 80,000 youth over the last 20 years.

1. The program helps youth get ready to take up a job, discover their strength, identify the area or job that suits them. and make them believe in themselves.

Unnati assures jobs to those who desire and helps in their placement. The course also helps students who take up higher education; go back to farming, or who join their own small family business in villages, etc.

UNXT, a 165 hours Free Training Program (30 day 3 hours classroom training and 75+ hours worth of learning materials through apps), is being offered by Unnati for all final year Undergraduate and Postgraduate youth from selected Colleges in various states during the academic year 2023-24.

UNXT program is designed to give an intensive training of approximately 165 hours which includes the following: Spoken English and Effective Communication Techniques.

- Life Skills like Self-respect, Time Management, Stress Management, Effective Work Habits, Health and Hygiene, Sexuality, Diversity, Building Confidence, Grooming, to name a few.
- Employability Skills like Teamwork, Development of Leadership skills, Problem Solving, Managing Conflict, Effective Work Habits, Resume Writing, Interview skills, Mock Interviews and so forth.
- Essential Values systems like Punctuality, Responsibility, Honesty, Caring & Sharing, Gratitude, Humility & Respect etc.
- Debates, Public Speaking, Reading & Visual Comprehension, e-learning (U LEAPP App)

And much more Program Benefits.

At the end of the training, the attitude of each student changes, his or her confidence level improves and the student overcomes stage fear. A complete transformation takes place in the student for betterment of life, in their respective professional and personal domains.

Principal Dr.D.Kalyani encouraged this programme for the welfare of the students and gave all her support for smooth running of this program. JKC CO-ORDINATOR Dr.A.V.Rajya Lakshmi, the convener of this programme Dr.P.indira also participated in this training programme.

NATIONAL CONSUMERS DAY

National Consumers Day is observed on December 24th every year to commemorate the enactment of the Consumer Protection Act, 1986, which came into force on this day. The day is dedicated to creating awareness about consumer rights and responsibilities and highlighting the importance of consumer protection in the market.

National Consumers Day was celebrated with great enthusiasm in our college on 24TH December. The event aimed to create awareness among students about their rights as consumers and promote responsible consumption. To engage the students actively, Essay writing competitions, and Eleocution competitions were conducted in Spandana Bhavan, Ongole and prizes were distributed winners to showcase their understanding of consumer rights and responsibilities. Students and Department of Commerce actively participated in this programme.
