INTRODUCTION

DSGDCW College for Women Nurturing Greatness, Empowering Future.

At DSGDCW College for Women, we believe that education is the cornerstone of empowerment, and every woman has the potential to achieve greatness. Established with a visionary outlook, our college has been dedicated to providing exceptional education and holistic development to young women for over 39 years. Situated in a serene and conducive learning environment, our institution stands as a beacon of knowledge, innovation, and empowerment.

Our Legacy of Excellence: Since its inception, DSGDCW College for Women has been a hub of academic excellence and character development. Our legacy is built on the foundation of unwavering commitment to fostering holistic growth in our students. Through our comprehensive and innovative programs, we have produced graduates who have gone on to become trailblazers in various fields, leaving an indelible mark on society.

Empowering Women through Education: At DSGDCW, we firmly believe that education is a powerful tool to empower women and elevate their status in society. Our curriculum is designed to not only impart knowledge but also to nurture critical thinking, creativity, leadership, and compassion. We provide a supportive and inclusive environment where women can explore their potential, discover their passions, and build the skills necessary to excel in a rapidly changing world.

Distinguished Faculty: Our college boasts a dedicated and accomplished faculty comprising experts, scholars, and practitioners in their respective fields. They are not just educators but mentors who guide, inspire, and ignite the flames of curiosity in our students. With their guidance, students are encouraged to question, explore and grow, both academically and personally.

State-of-the-Art Facilities: To facilitate effective learning and all-around development,

we offer state-of-the-art facilities including well-equipped classrooms, modern laboratories, a comprehensive library, sports facilities, and a vibrant cultural center. Our campus provides an enriching environment that supports academic pursuits, research endeavors, artistic expression, and physical well-being.

Holistic Development: DSGDCW is not just about academic excellence; it's about nurturing well-rounded individuals. We encourage our students to participate in extracurricular activities, cultural events, community service, and leadership initiatives. These experiences help them develop essential life skills such as teamwork, communication, time management, and empathy.

Alumni Success: The success of our college is best reflected in the achievements of our alumni. Our graduates have made significant contributions to various fields including academia, business, healthcare, social service, arts, and more. They are the living proof of the transformative education offered at DSGDCW and serve as role models for current and future students

JAWAHAR KNOWLEDGE CENTRE: JKC in our college plays a vital role in preparing students for the challenges of the professional world by providing skill development, industry exposure, and career support. With a focus on technological advancements, JKC often includes programs to enhance students' digital literacy. It aligns education with industry needs, making graduates more competitive in the job market

DSGDCW College for Women and embark on a journey of self-discovery, empowerment and greatness. Discover potentiality, chase dreams, and become a part of our legacy of excellence. Together, we're shaping a future where empowered women shape a better world.

FIVE DAYS NON-RESIDENTIAL TRAINING OF TRAINERS (TOT) PROGRAMME

As per the schedule of Commissionerate of Collegiate Education, AP: Mangala Giri, Five-Day Non-Residential Training of Trainers (TOT) Programme for the Departments of History and political Science for 2 districts Nellore and Prakasam has conducted by NRC, ONGOLE from 2nd April to 6th April 2024, and for Mathematics from 16th April to 22nd April 2024. Principal Dr.D. Kalyani inaugurated the programme and advised them to utilize the training motives.

The training aimed to enhance pedagogical skills, update curriculum knowledge, and promote effective teaching methodologies. The training sessions covered topics such as modern teaching techniques, integration of technology in classrooms, and curriculum alignment with educational standards.

Participants expressed satisfaction with the content and found the sessions highly beneficial for their professional development

NATIONAL WEBINAR CONDUCTED BY THE DEPARTMENT OF PHYSICS AND CHEMISTRY

The Department of Physics and Chemistry with the collaboration of IQAC has conducted the webinar on Nano Materials - Known to Unknown, on 3.4.24. The event was aimed at exploring the advancements and potential of Nano Technology in various scientific domains.

The webinar garnered significant interest, with a total of 267 individuals, including students, faculty, and researchers, registered for the event. The final participation count was 177, underscoring the event's reach and the community's engagement with the subject matter.

The day-long webinar, held from 10:00AM to 4:30 PM, commenced with an introduction by Dr. M. Srinivasa Reddy, followed by a welcoming address from Dr. P. Indira and speaker introductions by Dr. N. Manjula Bharathi. Dr. D. Kalyani, the Principal, made the opening remarks, setting the stage for a series of insightful presentations. The first presentation by Dr. J. N. Kiran from VFSTR explored the known and unknown facets of nanomaterials, stimulating a thoughtful audience interaction. Following this, Dr. T. Anil Kumar discussed the applications of Nano-Nion Bio-waste adsorbents.

The webinar commenced with an insightful address by the principal, emphasizing the significance of nanomaterials in modern scientific research. The principal highlighted the transformative impact of nanotechnology and its applications across different industries

The webinar concluded with closing remarks by Dr. K. Pratap and a vote of thanks by B. Sreenivasa Rao. The event was not just a platform for learning but also fostered innovation-driven collaborations across academia, industry, and policy-making. It highlighted the ethical and safety considerations in nanomaterial research and underscored the technological and societal impact of nanomaterials.

WORLD HEALTH DAY

On April 7th, the Department of Zoology at DS College organized an event to celebrate World Health Day. The event aimed to raise awareness about health issues and promote healthier living among students and staff.

The event began with an inaugural session where Smt.V. Sri Lakshmi Head of the Zoology Department, gave a welcome speech. She emphasized the importance of maintaining good health and the role of education in spreading health awareness. Principal Dr.D. Kalyani educated the students about the importance of a balanced diet rich in fruits, vegetables, lean proteins, and whole grains to support overall health and well-being. She Highlighted the importance of vaccinations in preventing infectious diseases and discuss the role of vaccines in maintaining public health. A free health check-up camp was organized in collaboration with the local health department. Students and staff availed themselves of free consultations, blood pressure checks, blood sugar tests, and BMI assessments. To engage students creatively, poster and essay competitions on health-related topics were held. Winners were awarded certificates and prizes.

NATIONAL WEBINAR BY THE DEPARTMENT OF COMMERCE

The Department of Commerce with collaboration of IQAC has conducted National Webinar on 12th April with the topic Entrepreneurship development-Role of Incubators Creating a support system for Startups”. Dr.P.A.L.A.S. Kalyani, Dean Academics, St. Mary’s Centenary Degree college, Secunderabad, was invited as the Resource person of the webinar.

This webinar will delve deeply into the critical subject of entrepreneurship within academic institutions, particularly focusing on the establishment and operation of incubation centres in degree colleges. The session hosted 200 participants, who actively participated through discussions and polls.

An additional 300 participants joined the webinar via YouTube Live, contributing to the broader reach of the event. Principal inaugurated the session and delivered that webinar marks a significant milestone in our commitment to fostering knowledge exchange and academic excellence, it is through such platforms that we bridge the gap between theory and practice, preparing our students for the challenges and opportunities that lie.

The webinar served as an effective platform for knowledge sharing and interactive learning. In-charge of the department Smt.P. Kusuma Kumari extends gratitude to all participants and the organizing team for making the event a success.

NATIONAL WEBINAR BY THE DEPARTMENT OF ENGLISH

A National webinar jointly organized by the Department of English and Telugu with the collaboration of IQAC at our College was successfully conducted, attracting 610 participants via YouTube and Zoom platforms. The webinar aimed to facilitate interdisciplinary dialogue and academic exchange among language scholars and enthusiasts.

The webinar featured distinguished resource persons: Prof.B. Venkata Swamy, from Telugu Department Andhra University, Visakha Patnam a renowned scholar with expertise in Telugu literature and linguistics, delivered an insightful presentation. He explored the historical evolution and contemporary relevance of Telugu language and literature, emphasizing its cultural significance and literary achievements.

Dr. Anjali, Associate Professor in Khammam Degree College, an esteemed academic specializing in English literature and language studies, provided a comprehensive perspective. Dr. Anjali's presentation delved into themes of Personality Development and communication and the impact of globalization on language and literature. Her nuanced analysis sparked engaging discussions among participants, highlighting the interconnectedness of languages in a globalized world.

The resource persons' presentations were followed by interactive sessions where participants actively posed questions and shared insights. The vibrant exchange of ideas enriched the scholarly discourse, showcasing the webinar's success in fostering intellectual engagement and academic collaboration.

The webinar, broadcasted live on Zoom and YouTube, ensured widespread accessibility and participation, transcending geographical boundaries. This broad outreach underscored the webinar's role in promoting cultural understanding and academic excellence across diverse linguistic disciplines.

In conclusion, the national webinar organized by Department of English and Telugu departments, featuring distinguished resource was highly successful. The event exemplified the college's commitment to promoting interdisciplinary dialogue and advancing scholarly

discourse in language studies.

మహిళా కళాశాలలో వ్యక్తిత్వ వికాసంపై సదస్సు

ఒంగోలు(విద్య), ఏప్రిల్ 15 : స్థానిక ప్రభుత్వ మహిళా డిగ్రీ కళాశాలలో సోమవారం విద్యార్థినులకు వ్యక్తిత్వ వికాసంపై సదస్సు నిర్వహించారు. కళాశాలలో తెలుగు, ఇంగ్లీషు, ఇక్యూఎస్ విభాగాల ఆధ్వర్యంలో ఈ సదస్సు నిర్వహించారు. ఈ కార్యక్రమానికి కళాశాల ప్రెస్విడెంట్ డి. కల్యాణి అధ్యక్షత వహించారు. తెలుగు శాఖ అధ్యక్షుడు బాబి వెంకటస్వామి, డాక్టర్ ఎస్ అంజలిను విద్యార్థినులకు వ్యక్తిత్వ వికాసం గురించి వివరించారు. ఈ కార్యక్రమంలో యామిని అమ్మాజీ, ఏవీ రాజ్యలక్ష్మి, ఎం. సుధారాణి, పి.ఇందిర, బి.శ్రీనివాసరావు, మరేష్ కుమార్ తదితరులు ఉన్నారు.

Short-term internship

As per the Instructions of CCE, it is mandatory for all the students to complete 2 months (180 hours) of short- term internship either physically or virtually. Every student should identify the organization for internship in consultation with the College Principal/the authorized person nominated by the principal. In our college all the students selected spoken Tutorial online course.

Each faculty member is to be assigned with 10 to 15 students depending upon availability of the faculty members. The faculty member will act as a faculty-mentor for the group and is in-charge for the learning activities of the students and also for the comprehensive and continuous assessment of the students.
