INTRODUCTION

D S Women's Degree College plays a vital role in empowering female students by providing quality education and fostering personal and professional growth. Our college, having achieved an A+ grade in NAAC accreditation, signifies excellence in academics, infrastructure, and overall institutional performance. Academic Excellence: NAAC A+ accreditation reflects the commitment to high academic standards, research, and student success.

Women's Empowerment: As a women's college, it fosters a safe and encouraging environment that enables students to develop confidence, leadership skills, and independence.

Qualified Faculty: The dedicated staff plays a crucial role in mentoring students, shaping their skills, and guiding them toward a bright future.

Student-Centric Approach: Students are the backbone of the institution, offering various opportunities for learning, internships, and placements.

Leadership & Vision: The principal, Dr. D. Kalyani, provides strong leadership, ensuring continuous educational progress and innovation.

This recognition enhances the reputation of the college and opens doors for students in academics and career regeneration in more detail.

Achieving an A+ grade in NAAC accreditation is a prestigious accomplishment that underscores our institution's commitment to excellence in higher education. This recognition elevates the college's reputation significantly and benefits the entire academic community, including staff, students, and leadership.

Enhanced Institutional Visibility and Credibility

An A+ NAAC accreditation elevates the college's standing, distinguishing it as a leader in women's education. This heightened credibility attracts prospective students, parents, and recruiters, fostering trust in the institution's educational quality. It also opens avenues for national and international collaborations, enriching the academic environment.

Empowerment of Female Students

The dedicated efforts of the faculty and staff are instrumental in achieving such a distinguished accreditation. This recognition affirms their commitment to academic excellence and continuous improvement. It also provides opportunities for professional development and participation in academic conferences, further enhancing their careers and the institution's academic stature.

The strategic vision and leadership of the principal, Dr. D. Kalyani, are crucial in steering the college toward such achievements. Effective leadership ensures the implementation of quality enhancement measures,

fosters a culture of continuous improvement, and aligns institutional goals with accreditation standards. This

Guidance is vital for sustaining excellence and adapting to evolving educational demands.

Holistic Development: DSGDCW is not just about academic excellence; it's about nurturing well-rounded individuals. We encourage our students to participate in extracurricular activities, cultural events, community service, and leadership initiatives. These experiences help them develop essential life skills such as teamwork, communication, time management, and empathy.

Alumni Success: The success of our college is best reflected in the achievements of our alumni. Our graduates have made significant contributions to various fields, including academia, business, healthcare, social service, arts, and more. They are the living proof of the transformative education offered at DSGDCW and serve as role models for current and future students.

JAWAHAR KNOWLEDGE CENTRE: JKC in our college plays a vital role in preparing students for the challenges of the professional world by providing skill development, industry exposure, and career support. With a focus on technological advancements, JKC often includes programs to enhance students' digital literacy. It aligns education with industry needs, making graduates more competitive in the job market. DSGDCW and embark on a journey of self-discovery, empowerment, and greatness. Discover potentiality, chase dreams, and become a part of our legacy of excellence. Together, we're shaping a future where empowered women shape a better world.

NATIONAL QUIZ IN THE DEPARTMENT OF COMPUTER SCIENCE

The Department of Computer Science organised a national-level online quiz on the occasion of Ada Lovelace Day, on 14th October to celebrate and honour the world's first computer programmer and to promote women's achievements in science, technology, engineering, and mathematics (STEM). The quiz aimed to create awareness among students about Ada Lovelace's contributions and to encourage interest in computing and innovation.

A total of 300 participants enthusiastically took part in the online quiz. The questions covered topics related to Ada Lovelace's life, her pioneering work with Charles Babbage, programming fundamentals, and women's contributions in technology. The quiz was conducted smoothly through an online platform, ensuring equal participation from all departments.

The event was inaugurated by the Principal, Dr D. Kalyani, who emphasised the importance of recognising women pioneers in technology and motivating students to follow their example. At the conclusion, **e-certificates** were issued to all participants. The event was a grand success, inspiring students to explore careers in computing and innovation while paying tribute to Ada Lovelace's legacy.

Participation in Cultural Competitions at Quis College

The students of our college enthusiastically participated in the cultural competitions conducted on 18th October, at Quis College. They took part in various events such as dumb charades (DAMS), songs, painting and dances, showcasing their creativity and cultural talent.

Our students performed remarkably well and won prizes in several competitions, bringing glory and recognition to our institution. Their success reflects the encouragement, guidance, and motivation provided by the faculty and management to promote co-curricular excellence among students.
