INTRODUCTION

D S Women's Degree College plays a vital role in empowering female students by providing quality education and fostering personal and professional growth. Our college, having achieved an A+ grade in NAAC accreditation, signifies excellence in academics, infrastructure, and overall institutional performance. Academic Excellence: NAAC A+ accreditation reflects the commitment to high academic standards, research, and student success.

Women's Empowerment: As a women's college, it fosters a safe and encouraging environment that enables students to develop confidence, leadership skills, and independence.

Qualified Faculty: The dedicated staff plays a crucial role in mentoring students, shaping their skills, and guiding them toward a bright future.

Student-Centric Approach: Students are the backbone of the institution, offering various opportunities for learning, internships, and placements.

Leadership & Vision: The principal, Dr. D. Kalyani, provides strong leadership, ensuring continuous educational progress and innovation.

This recognition enhances the reputation of the college and opens doors for students in academics and career regeneration in more detail.

Achieving an A+ grade in NAAC accreditation is a prestigious accomplishment that underscores our institution's commitment to excellence in higher education. This recognition elevates the college's reputation significantly and benefits the entire academic community, including staff, students, and leadership.

Enhanced Institutional Visibility and Credibility

An A+ NAAC accreditation elevates the college's standing, distinguishing it as a leader in women's education. This heightened credibility attracts prospective students, parents, and recruiters, fostering trust in the institution's educational quality. It also opens avenues for national and international collaborations, enriching the academic environment.

Empowerment of Female Students

The dedicated efforts of the faculty and staff are instrumental in achieving such a distinguished accreditation. This recognition affirms their commitment to academic excellence and continuous improvement. It also provides opportunities for professional development and participation in academic conferences, further enhancing their careers and the institution's academic stature.

The strategic vision and leadership of the principal, Dr. D. Kalyani, is crucial in steering the college toward such achievements. Effective leadership ensures the implementation of quality enhancement measures,

fosters a culture of continuous improvement and aligns institutional goals with accreditation standards. This Guidance is vital for sustaining excellence and adapting to evolving educational demands.

Holistic Development: DSGDCW is not just about academic excellence; it's about nurturing well-rounded

individuals. We encourage our students to participate in extracurricular activities, cultural events, community service, and leadership initiatives. These experiences help them develop essential life skills such as teamwork, communication, time management, and empathy.

Alumni Success: The success of our college is best reflected in the achievements of our alumni. Our graduates have made significant contributions to various fields, including academia, business, healthcare, social service, arts, and more. They are the living proof of the transformative education offered at DSGDCW and serve as role models for current and future **students**

JAWAHAR KNOWLEDGE CENTRE: JKC in our college plays a vital role in preparing students for the challenges of the professional world by providing skill development, industry exposure, and career support. With a focus on technological advancements, JKC often includes programs to enhance students' digital literacy. It aligns education with industry needs, making graduates more competitive in the job market DSGDCW and embark on a journey of self-discovery, empowerment, and greatness. Discover potentiality, chase dreams, and become a part of our legacy of excellence. Together, we're shaping a future where empowered women shape a better world.

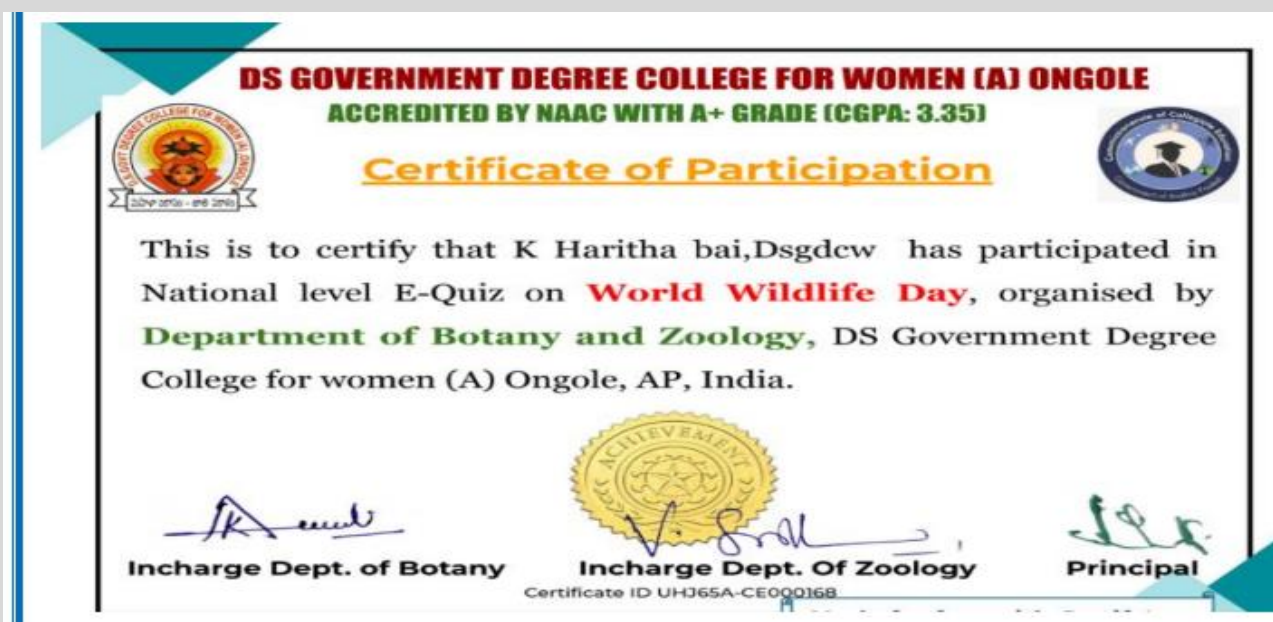

“World Wildlife Day – 2026 Online Quiz”

By

DEPARTMENT OF BOTANY & ZOOLOGY

On the occasion of World Wildlife Day – 2026, the Department of Botany and Zoology of DS Government Degree College for Women (A), Ongole, organised on 4th March 2026, an Online Quiz to spread awareness about the importance of wildlife conservation and biodiversity. The program aimed to educate participants about the need to protect natural habitats and preserve endangered species through an engaging and informative platform. This year’s theme is “Medicinal and Aromatic Plants: Conserving Health, Heritage and Livelihoods” A total of 230 participants took part in the event, showing enthusiastic involvement and keen interest in the subject. The questions were structured to test both basic knowledge and awareness of current environmental issues, making the quiz both educational and engaging.

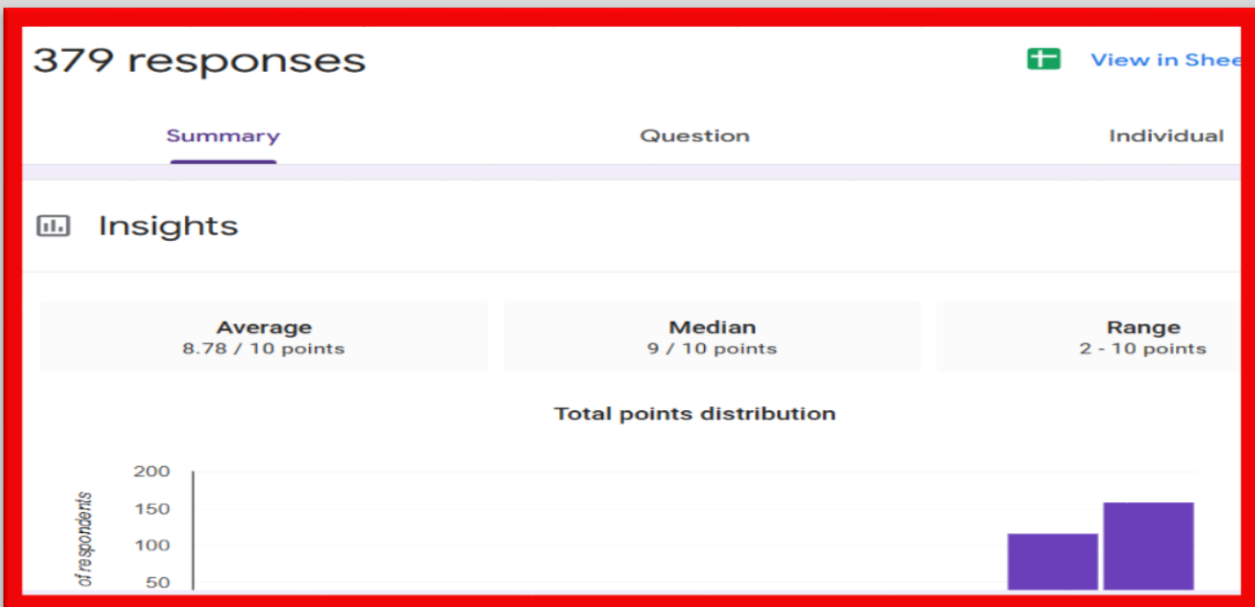

**ONLINE QUIZ ON INDIAN GOVERNMENT
BY
THE DEPARTMENT OF POLITICAL SCIENCE**

The Department of Political Science organised an Online Quiz on the Indian Government on 4th March 2026 for B.A. students. The objective of the programme was to promote awareness and understanding of the Indian political system through an interactive and competitive platform. A total of **40 students participated** with great enthusiasm. The quiz covered various aspects of the Constitution, governance, and political institutions. All participants were awarded certificates in recognition of their active involvement. The programme was successful in encouraging academic interest and participation among students.

NATIONAL ONLINE QUIZ BY THE DEPT OF ENGLISH

The Department of English organised an Online Quiz on English Grammar on 5th March 2026 to enhance students' grammatical competence and promote interactive learning through digital platforms. The quiz received an overwhelming response, with a total of 379 participants, reflecting active student engagement and interest in language learning.

I SEMESTER RESULTS RELEASED

The I Semester examination results under the autonomous system were officially released on 4th March. The results reflect the academic performance of students across various undergraduate programmes in the institution.

The overall pass percentage recorded for the I Semester examinations is 59%. This indicates a moderate level of academic achievement, highlighting both the efforts of the students and the need for further academic support in certain areas.

The department-wise analysis reveals variations in performance, suggesting the necessity for targeted remedial measures. In response, the institution plans to implement strategies such as remedial classes, mentoring, and academic counselling to support slow learners and improve overall results in the upcoming semesters.

The release of results also enables students to assess their performance and identify areas for improvement. Faculty members are informed and encouraged by the principal Dr.D.Kalyani to provide continuous guidance and adopt innovative teaching methodologies to enhance student learning outcomes.

Overall, the I Semester results serve as an important benchmark for evaluating academic standards and planning future academic interventions.

NOTIFICATION FOR JOB MELA

INTERNATIONAL WOMEN'S DAY CELEBRATIONS

The International Women's Day celebrations were organised on 7th March at D.S. Government Degree College. The programme was conducted under the auspices of the Women Empowerment Cell (WEC) with active participation from students and faculty.

Dama Charla Naga Satya Latha, Chairperson of DJR Trust, graced the occasion as the Chief Guest. In her address, she emphasised the importance of women's empowerment, education, and self-reliance. She

inspires students to strive for excellence and contribute positively to society.

The Principal of the college Dr.D. Kalyani delivered an inspiring speech highlighting the significance of International Women's Day and the role of education in empowering women. The WEC Convener Dr.P. Indira, also addressed the gathering, explaining the objectives of the Women Empowerment Cell and encouraging students to participate in such initiatives actively.

The programme was coordinated by the Women Empowerment Cell, which ensured the event was conducted smoothly. As part of the celebrations, students actively participated in various cultural programmes, showcasing their talents through dance, songs, and other performances, reflecting themes of women's strength and empowerment.

The event concluded successfully with enthusiastic participation, creating awareness and promoting the spirit of equality and empowerment among students.

ORIENTATION PROGRAMME FOR FINAL YEAR STUDENTS

An Orientation Programme was conducted for final year students on 10th March in connection with the upcoming Job Mela. The programme was organised with the objective of preparing students to effectively participate in the recruitment drive.

The session was addressed by the Principal Dr.D. Kalyani and the JKC Coordinator, Dr A.V. Rajya

Lakshmi. The Principal emphasised the importance of utilising such job opportunities and encouraged students to actively participate in the Job Mela. She motivated the students to approach the event with confidence and a positive attitude.

The JKC Coordinator provided detailed guidance on the recruitment process, interview techniques, resume preparation, and essential communication skills. Students were also briefed on how to present themselves professionally and perform well during interviews.

The programme was highly informative and beneficial, equipping the final year students with the necessary skills and confidence to attend the Job Mela and enhance their employment prospects.

**D.S. GOVERNMENT DEGREE COLLEGE FOR WOMEN(A),
ONGOLE
JOBMELA 2026**

As per the instructions of the Commissionerate of Collegiate Education (CCE), the Principal of DSGDCW(A), Ongole, issued a notification on 5th March informing students about the Job Mela scheduled on 10th March 2026 at DSGDCW, Ongole, in collaboration with the Andhra Pradesh State Skill Development Corporation (APSSDC), organised a Mega Job Mela on 10th March 2026. All Government Degree Colleges under the NRC Ongole purview, namely Ulavapadu, Addanki, Darsi, Kandukuru, Y. Palem, Dornala, Kanigiri, Kumbum, and others in Ongole, including our college final year, participated in the event. Students were encouraged to actively participate and take advantage of employment opportunities from various companies.

The Job Mela was successfully organised, with participation from 11 reputable companies across sectors. The participating companies included BNCS Solutions Pvt. Ltd., Hetero Labs Pvt. Ltd., Axis Bank, RBL Bank, Doctus Business Solutions, Mekkvill Jio Towers, SBI Cards, Tata Capital Limited, Navata Road Transport, Joyalukkas, UNH Management Services, Tata Electronics, MRF, Daikin, TVS Sundaram, Blinkit, EPACK and TVS Motor Company.

Students from NRC, ONGOLE purview Government Degree Colleges and others attended the recruitment drive with great enthusiasm. ***A total of 219 candidates participated in the Job Mela and attended interviews conducted by the company representatives, and 119 were shortlisted.***

After the screening and interview process, 119 candidates were successfully selected for different job roles in the participating companies. The selected candidates expressed happiness and gratitude for the opportunity provided through this recruitment drive.

The Principal, Dr D. Kalyani, congratulated the 119 selected students for their achievement and appreciated their dedication and preparation. She encouraged them to work sincerely in their respective organisations and build successful careers.

The Department of Mathematics organised a National Level Online Quiz on 13th March 2026, to commemorate International Mathematics Day and Pi Day. The event was conducted through Google Forms and witnessed an enthusiastic response, with 165 participants from various institutions.

The quiz aimed to promote interest in Mathematics and enhance analytical and problem-solving skills among students. It included multiple-choice questions covering fundamental concepts, logical reasoning, and interesting facts related to Mathematics and Pi. The programme provided a valuable platform for students to assess their knowledge and engage in healthy academic competition. The initiative was well-received and contributed to creating awareness about the importance of Mathematics in academic and real-life contexts.

The programs were organized to create awareness about the importance of Mathematics and to promote interest among students.

CELEBRATIONS OF INTERNATIONAL MATHEMATICS DAY AND PI DAY

The Department of Mathematics organised International Mathematics Day and Pi Day celebrations on 13th March 2026 with great enthusiasm. The programme aimed to highlight the importance of Mathematics in education, research, science, technology, and everyday life.

The event was conducted under the chairmanship of the In-Charge Principal, Dr M. Srinivasa Reddy. In his address, he emphasised that Mathematics is the foundation of all sciences and plays a crucial role in developing logical thinking and problem-solving skills.

He also explained the significance of the mathematical constant Pi ($\pi \approx 3.14$) and its applications in geometry, engineering, and scientific research.

On this occasion, Mathematics Lecturer B. Sravani spoke about the importance of Pi Day, celebrated annually on March 14th, and International Mathematics Day, observed worldwide to promote mathematical awareness. She encouraged students to develop an interest in Mathematics and actively participate in such academic activities.

A total of 95 students participated in the Mathematics Day celebration programme conducted in the college. As part of the celebrations, a National Level Online Quiz was also organised on the same day through Google Forms, attracting 165 participants from various institutions.

The programme successfully created awareness and enthusiasm among students, reinforcing the significance of Mathematics in academic and real-life applications.

NATIONAL WEBINAR

Application of Differential Equations in Various Fields and Career Opportunities in Higher Education

Resource Person
Dr. M. Siva Parvathi,
 Asst. Professor Dept. Of. Mathematics
 Sri Padmavathi Mahila Vishwavidyalaya , Tirupathi.

Date : 18th March 2026 Time : 2:00 PM-4:00 PM

NATIONAL WEBINAR

The Department of Mathematics, in association with IQAC, D.S. Government Degree College for Women (A), successfully organized a National Webinar on “*Application of Differential Equations in Various Fields and Career Opportunities in Higher Education*” on 18th March 2026 from 2:00 PM to 4:00 PM in online mode.

The programme commenced with a welcome address by Dr. K. Kezia, Head of the Department of Mathematics. The inaugural address was delivered by Dr. M. Srinivasa Reddy, Vice Principal, who emphasised the importance of Mathematics in achieving academic excellence and enhancing career prospects. Mrs B. Sravani, Lecturer in Mathematics, introduced the resource person. The resource person, Dr M. Siva Parvathi, Assistant Professor of Mathematics, Sri Padmavathi Mahila Viswavidyalayam, Tirupati, delivered an insightful lecture on the applications of differential equations in real-life contexts. She explained differential equations as tools to study rates of change and their role in modelling real-world problems. She highlighted applications in epidemiology, particularly in understanding disease transmission and spread, and also discussed their relevance in physics, engineering, biology, and economics.

Further, she introduced emerging areas such as data science and artificial intelligence, where differential equations play a crucial role. The session was interactive, with active participation from students during the question-and-answer segment. The programme witnessed an encouraging response with 139 participants, including students and faculty members from various institutions. The session was informative and interactive, enhancing participants’ understanding of the practical relevance of Mathematics and motivating them to pursue higher studies and research.

The programme concluded with a vote of thanks by Dr A.V. Rajya Lakshmi, Lecturer in English. The webinar was informative and beneficial, enriching students’ academic knowledge and creating awareness about career opportunities in Mathematics.

Guest Lecture on Indian Parliament: The Department of Political Science

The Department of Political Science organised a Guest Lecture on “Indian Parliament” on 10th March 2026. The session was delivered by Sri A. Muni Shankar Swamy, Political Science Lecturer, GDC, Ulavapadu. The speaker explained the structure, powers, and functions of the Indian Parliament clearly and engagingly. The lecture also highlighted the importance of parliamentary democracy in India. Around 40(B.A.) students attended the session and actively interacted with the resource person. The lecture enriched students’ knowledge and provided practical

insights into the functioning of the legislature. Photo Caption: Guest Lecture by Sri A. Muni Shankar Swamy on the Indian Parliament.

AMARAJIVI POTTI SRIRAMULU JAYANTHI CELEBRATIONS

The birth anniversary of Potti Sriramulu was commemorated on 16th March 2026 by the Departments of Telugu and Political Science. The programme aimed to honour the sacrifice and dedication of the great leader.

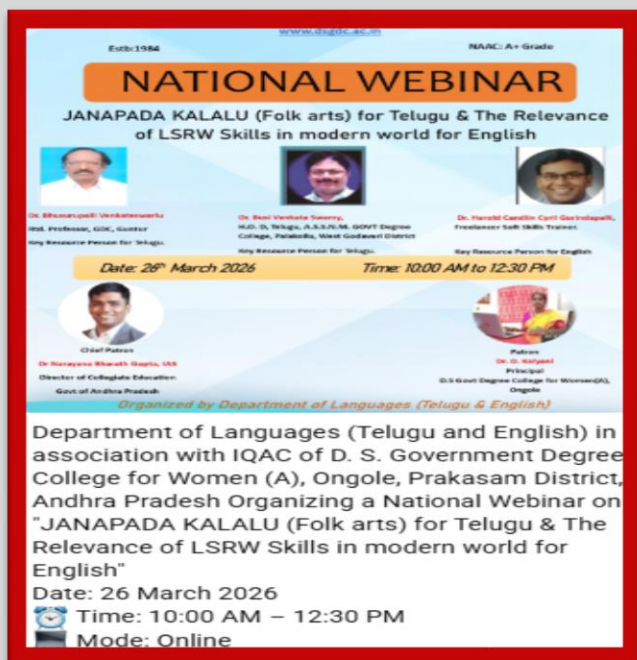

The Principal, Dr D. Kalyani, in her address, highlighted the unparalleled sacrifice of Potti

Sriramulu Garu, who undertook a historic fast unto death for the formation of Andhra State. She emphasised the values of selfless service, determination, and commitment to social justice. The Principal also motivated students to develop a sense of responsibility towards the nation and to uphold the ideals of unity and integrity.

Mrs P. Yamini Ammaji, in charge of the Telugu Department, spoke about the significance of remembering national leaders and preserving their legacy through such commemorative events. She encouraged students to actively participate in academic and cultural programmes to enhance their awareness of history and society.

Ms B. Sravani, faculty member in the political science Department delivered an insightful speech on the historical importance of Potti Sriramulu's movement. She explained how his sacrifice led to the formation of linguistic states and its lasting impact on the Indian polity.

The programme concluded on a meaningful note, instilling values of patriotism, sacrifice, and dedication among the students.

NATIONAL WEBINAR BY DEPARTMENT OF TELUGU & DEPARTMENT OF ENGLISH

A National webinar was successfully organised by the Departments of Telugu and English on 27th March 2026, to enhance students' linguistic, cultural, and communication competencies.

The webinar covered two significant themes. The Telugu session focused on “**Janapada Kalalu**” (Folk Arts), highlighting the richness of traditional art forms and their cultural relevance. The English session addressed “**Relevance of LSRW Skills in the Modern World**”, emphasizing the importance of listening, speaking, Reading, and Writing skills in academic and

professional contexts.

The resource persons for the webinar were:

- **Sri Busurapalli Venkateswarlu and Sri Busi Venkata Swamy** for the Telugu session
- **Dr Harold Candlin Cyril** for the English session

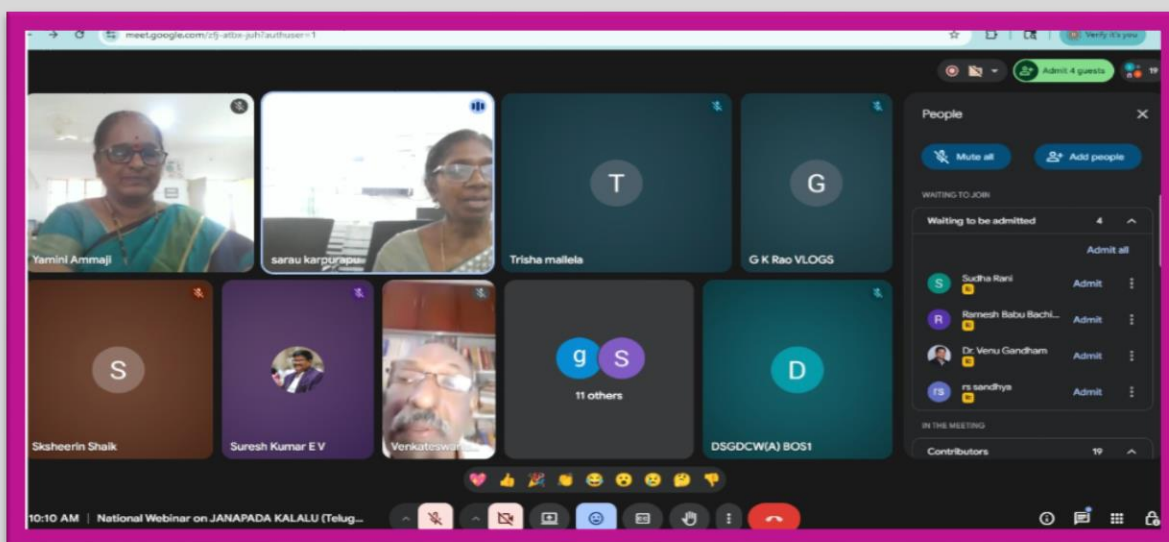

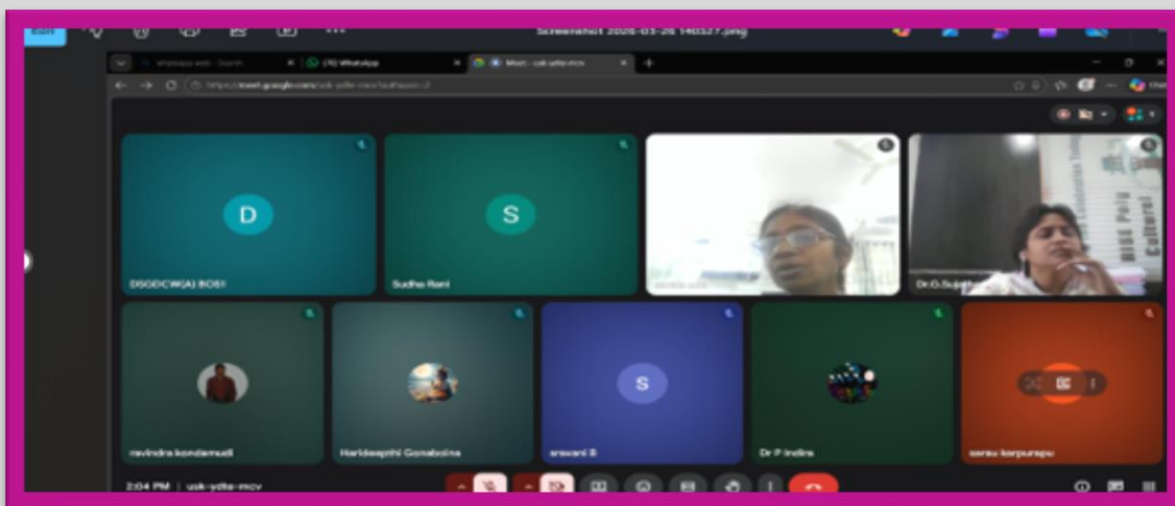

The programme witnessed an encouraging response with 169 **registrations**, reflecting active student participation and interest.

The session commenced with **opening remarks by the Principal, Dr Kalyani**, who highlighted the importance of interdisciplinary learning and communication skills in today's global scenario.

P. Yamini Ammaji presented the biodata of the Telugu resource persons, **Sri Busurapalli Venkateswarlu and Sri Busi Venkata Swamy**, while the **biodata of Dr Harold Candlin Cyril** was presented by **Dr A. V. Rajyalakshmi**, Faculty of English.

The resource persons delivered insightful lectures, enriching students with knowledge on folk traditions as well as practical communication skills essential for modern life and career development. The sessions were interactive and informative, encouraging students to actively engage and clarify their doubts.

The programme concluded with a vote of thanks by M. Sudharani, who expressed gratitude to the principal, resource persons, organizing departments, and participants for their valuable contribution to the success of the webinar.

NATIONAL WEBINAR ON “INTERNET OF THINGS”

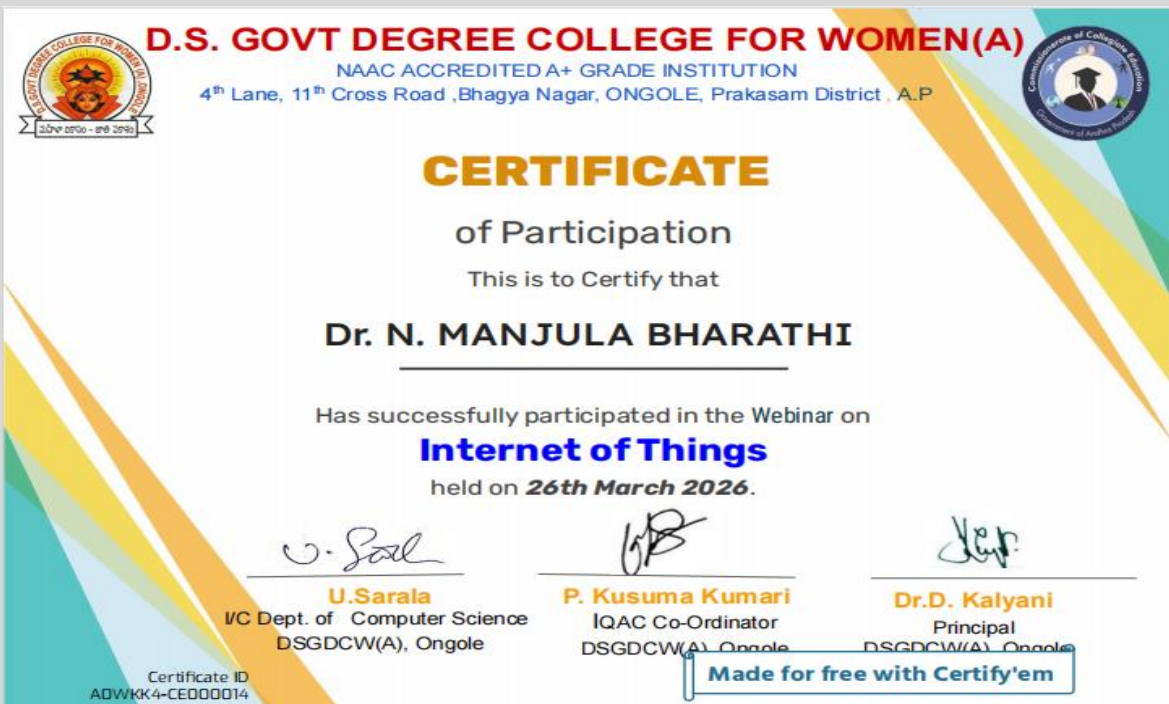

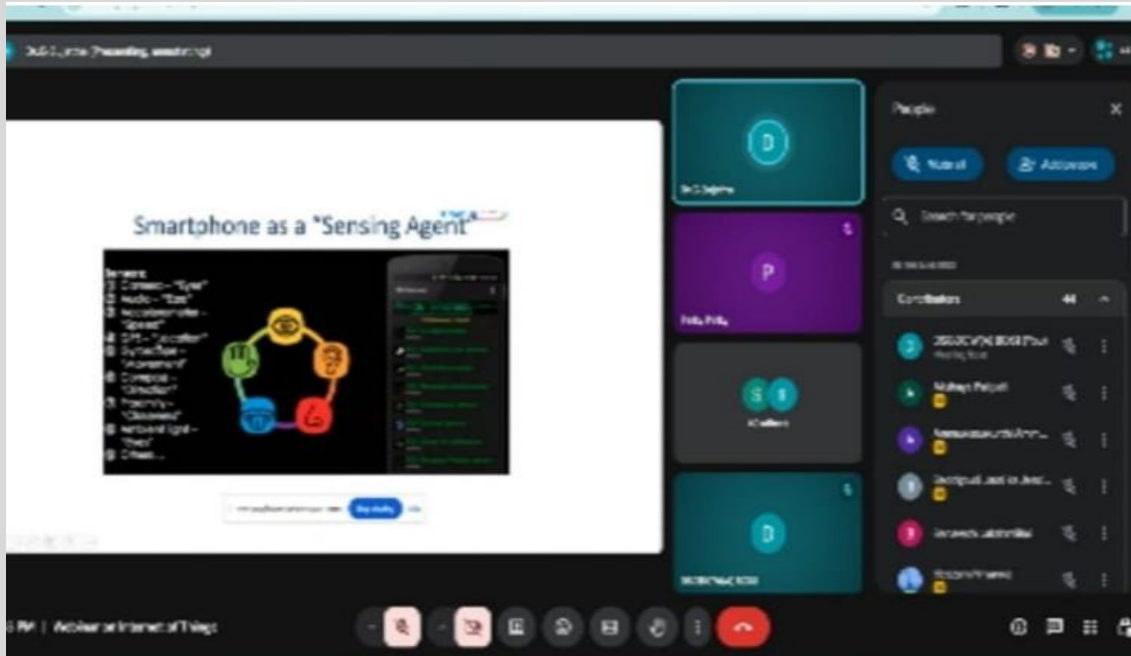

A National Webinar on “Internet of Things” was successfully organised by the Department of Computer Science in association with IQAC on 26th March 2026. The programme witnessed active participation from faculty and students, with a total of 225 registrations.

The session commenced with a warm welcome address by Dr D. Kalyani, Principal, who highlighted the relevance of IoT in the modern digital era. The resource person, Dr G. Sujatha, Professor in Computer Science and Engineering, RISE Krishna Sai Prakasam Group of Institutions, was introduced by Smt. B. Sravani, Lecturer in Mathematics.

In her insightful presentation, Dr Sujatha elaborated on the evolution of the internet from connecting people to connecting devices. She explained the concept of IoT and its architecture, emphasising the role of sensors, cloud computing, and data analytics in enabling intelligent systems. Various real-time applications such as smart homes, healthcare monitoring, industrial automation, and smart agriculture were discussed, providing practical exposure to participants.

The speaker also highlighted communication technologies like Wi-Fi, Bluetooth, and cellular networks, along with the integration of IoT with emerging technologies such as Artificial Intelligence and Machine Learning. An interactive session followed, where participants actively engaged by asking questions related to IoT implementation, challenges, and career opportunities. The speaker provided clear and practical responses, making the session more engaging and informative.

The webinar concluded on a successful note with a vote of thanks, leaving participants with enhanced knowledge and awareness of IoT and its growing significance in various fields.

NATIONAL WEBINAR “INNOVATIVE MATERIAL SCIENCE IN AGRICULTURE AND MEDICINE

The Departments of Physics and Chemistry jointly organised a **National Webinar on “Innovative Material Science in Agriculture and Medicine”** on 28th March, 2026. The webinar aimed to highlight recent advancements and interdisciplinary applications of material science in the fields of agriculture and healthcare. A total of **182 candidates registered** for the webinar, out of which **145 participants** actively attended the session, indicating a strong interest among students, faculty, and researchers.

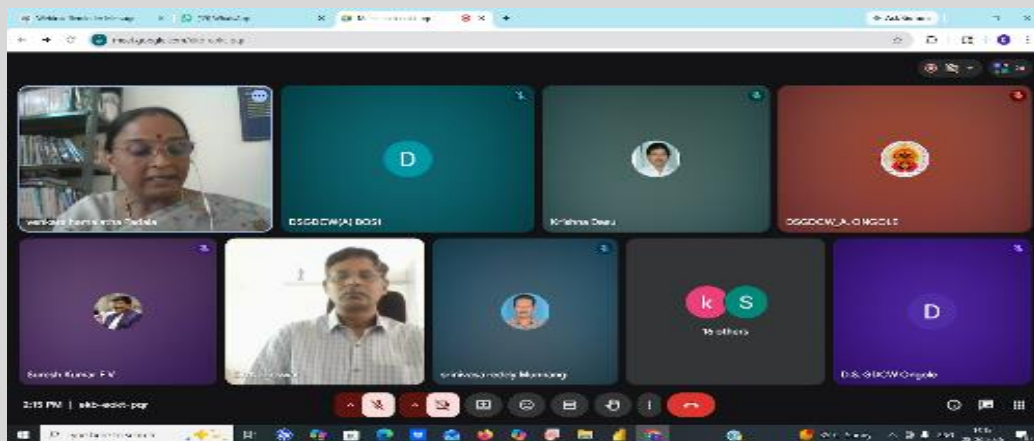

The programme featured eminent speakers from academia and industry. Dr T.N.V.K.V. Prasad, Principal Scientist in Soil Science at the Nanotechnology Laboratory, Regional Agricultural Research Station under Acharya N.G. Ranga Agricultural University, Tirupati, delivered an insightful talk on the role of nanotechnology in improving soil health and agricultural productivity. R. Nageswara Reddy, Director of Spectrum Biosciences, shared his expertise on medicinal chemistry and computer-aided drug design, emphasising innovations in drug development and biomedical applications.

The webinar focused on the growing significance of material science as an emerging field that contributes to sustainable agriculture through smart fertilisers and nano-based pesticides, as well as to modern medicine through advanced biomaterials used in drug delivery systems, tissue engineering, and diagnostics

On this occasion, the Principal delivered opening remarks emphasising the importance of interdisciplinary learning and the role of material science in addressing real-world challenges in agriculture and medicine.

The Chemistry In-Charge, Dr M. Srinivasa Reddy, highlighted the significance of innovative materials in chemical research and their applications in sustainable agricultural practices and healthcare advancements.

The Physics In-Charge, Dr P. Indira, spoke about the contribution of physics in material science, particularly in the development of advanced technologies and scientific research. The webinar was conducted successfully with active participation and meaningful academic engagement. The session concluded with active interaction between participants and speakers, making the event highly informative and impactful.
